## Inderkum Parent Teacher Student Association Membership Form

### **MISSION STATEMENT:**

Connect families, school, and the community, so our children will be successful.

### **GOAL:**

The overall goal is to make every student potential a reality in our diverse school by engaging and empowering families and communities to advocate for all students.

Why join PTSA? The number one reason to join PTSA is to benefit your child. In doing so, you also help your school. Involvement in PTSA is just one of many ways for students and families to get involved on campus. Research indicates that there are numerous benefits to involvement and reveals those students who are involved:

- receive better grades
- are more successful in academically
- are more likely to stay in school and graduate timely
- feel more satisfied with their high school experience
- develop valuable leadership and interpersonal skills
- are more marketable when job searching & applying to colleges

Furthermore, involvement offers students the opportunity to connect with peers and faculty.

# Parent Membership Form for 2017/2018

We provide support throughout the year for various school events and to faculty and many student groups. The more volunteers we have during the school year, the more we can reach our goals for our students!

## >>>>Volunteer opportunities for ALL busy schedules! <<<<

If every family volunteered just five hours during the school year, so much can be accomplished. Find your way to give FIVE:

- Donate your time.
- Donate or obtain donated items for special events.
- Provide valuable resources, talents, or contacts.
- Attend meetings to gain a voice and voting rights on all PTSA related issues.
- Copy Cat Crew (flexible & easy volunteer opportunity...just make copies for us)

Your membership will go a long way in helping PTSA reach our goals for our students!
